

Butterflies NEWS

Oct. 15- Oct. 26, 2018

Our theme:

Fall has arrived with cooler weather and colorful leaves.

We'll talk about things we like to do in the fall, taste some apples and carve a pumpkin. We'll celebrate Halloween with games and stories, trick or treating in the community, and sing for the seniors. Butterflies should bring their costumes to school in a brown bag with their name on the bag, do not include hand held accessories or masks. They will receive a non-candy

Any parents, grandparents, etc. are welcome to walk with us.

Art projects include trick or treat bags, gifts for the seniors, apple prints, leaf bowls.

Creative Learning: What will you be for Halloween?
