

## I SENSE SOMETHING STICKY

### Turtle News

March 13<sup>th</sup> – March 24<sup>th</sup> 2017

Our new theme is senses and sticky. We will explore the various ways our senses work and how they help us make decisions. This will be done by experiments, hands on activities, and games.

The dramatic play will be set up as a kitchen complete with chef outfits and multicultural food. The wet and dry sensory tables will have sticky and gooey mixtures in them.
