Nov. 27 - Dec. 8, 2017

Our theme: **Full S.T.E.A.M. Ahead**

Science, Technology, Engineering, Arts and Math: S.T.E.A.M. We will be engineers and learn about bridge building, house building for The 3 Little Pigs and simple machines. We will explore Jazz music with Pete the Cat. What is the best way to drop an egg? We will try many different methods to save the eggs. Marshmallow art and science, cave drawings have been around for centuries and we will learn why. We will pretend to be sugar molecules and explode marshmallows with heat.

**Art projects:** Exploding Apple art, Blot Trolls & Marshmallow Building

Please bring in an empty cereal box in by Friday, Dec. 1<sup>st</sup>.

**Creative Learning:** Measure with Legos, Apples up on Top and Same and Different class book.
